

Dolly Parton Imagination Library

**A memorial contribution has
been made in honor of**

**to the
Imagination Library**

The Dolly Parton Imagination Library of Ionia County is a book distribution program that provides high quality books to young children birth to five. The program is funded totally by community donations and is considered a gift from the community back to its youngest citizens. For just \$27.00, a child receives a book a month mailed directly to their home.

With deepest gratitude,
